CONTRACTUAL AGREEMENT

§§ For covering at the breeding station and/or purchase/ordering of semen (and its dispatch) for the mare named below with the stallion named below in the breeding season 2024 between the Breeding-Customer named below (mare owner) and the breeding station Triple J Stables. For the purchase/acquisition of breeding, a "breeding contract" must also be concluded with the respective stallion owner. Please note that the shipping of semen or the insemination of your mare can only be approved and carried out when these documents have been signed by you and are available at the breeding station. The Semen is transported at breeder's risk. Liability for transport damage, delays and force majeure is excluded.

Details of the mare keeper / owner / proprietor / stud customer
